

Welcome to SØRLANDETS BAKHAGE

Sørlandets Bakhage is an organisation formed by five farms in Birkenes municipality. Together we offer unique and genuine experiences: locally produced food and different styles of accommodation in the beautiful area Indre Agder. Sørlandets Bakhage's farms all have passionate owners who love to welcome guests and tell them all about the farms, local history and how all our lovely local produce is made. Your stay can provide an active outdoor adventure - or a calm and relaxing break in beautiful surroundings... all needs will be catered for here at Sørlandets Bakhage!
